EDMOND DEMOCRATIC WOMEN ENDORSES JOSHUA HARRIS TILL FOR CONGRESSIONAL DISTRICT 5

Edmond Democratic Women announces endorsement for Joshua Harris Till a democratic candidate for Congressional District 5. Joshua shares the values of the Edmond Democratic Women and we believe he is uniquely qualified to represent all Oklahomans. For more information about Joshua or to volunteer to help with his campaign efforts, please visit his website [Joshua Harris-Till](https://www.joshuaharris-till.com).

MEET JOSHUA

Joshua has a decade of organizing experience. Rooted in rural communities with rural voters who both OKC and Washington, DC too often forget.

Joshua's time working in Dan Boren's office taught him values like "we focus on people, not politics." The issues Oklahomans face are not political, they are personal, and they affect hardworking everyday people.

Joshua is a dedicated community advocate and devoted family man with a heart for the community. His father, a veteran and deacon, instilled in him the principles of discipline and respect. His mother, a union worker and minister, encouraged him to be empathetic and speak up for others.

Joshua believes too many good people have gone to D.C. and forgotten their constituents back at home. If elected, he will be in the district holding meetings and making sure the work he can't get done in D.C. will get done in the community alongside his constituents.

JOSHUA'S ISSUES

Jobs

Oklahomans aren't looking to live paycheck to paycheck. They want to buy homes, start businesses, and build wealth. Josh intends to fight for the future business owners, home owners, and community leaders so they can have a more equitable future.

Healthcare

Josh knows first hand how necessary healthcare access is. He will vote for legislation that gives you access to the care you need without breaking the bank regardless of pre-existing conditions.

Education

Child care, funding for K-12 schools, and the opportunity to attend college or trade schools without life crippling debt, are all things Josh will fight for in congress

Infrastructure

Oklahomans deserve good roads and safe bridges in and especially outside of the Metro area. Josh will vote yes on policies that repair, improve, and expand infrastructure, and will push for us to prioritize hiring Oklahoma companies.
